*Ars longa, vita brevis**

ORNEKERKOCAK is a law and mediation firm founded by Attorney / Mediator Berkay KOÇAK and Attorney / Mediator Alper ÖRNEK with the aim of dedicating the knowledge and experience they have accumulated over many years after working in Turkey's leading law firms and multinational companies to their own clients.

It aims to professionally manage the attorney-client relationship and thus to provide legal services under a corporate structure.

ORNEKERKOCAK's primary goal is to inform its clients about the legal processes they will undertake by evaluating all possible scenarios that may occur in favor and against before both contract negotiations and litigation proceedings, and thus to help its clients adopt the option that best suits their interests.

ORNEKERKOCAK lawyers also act as mediators to help people utilize alternative dispute resolution methods and support the applicants to find the most acceptable outcome in the best interests of the parties.

A. OUR PREVENTIVE LAW SERVICES INCREASE CERTAINTY AND PREDICTABILITY IN YOUR BUSINESS AND REDUCES THE NUMBER OF CRISIS MOMENTS.

Preventive law is a legal method that aims to analyze the risks that may arise especially in commercial life in advance and to take the necessary precautions and thus to develop solutions before problems arise.

Considering the length of the trial periods in our country, your project is examined by ORNEKERKOCAK before any decision that may be taken or any advance payment that may be made, it is arranged in line with your demands and needs, and if the subject of the transaction is a movable or immovable property, it is ensured that the provisions in your favor are adopted in terms of the principles to be applied to the delivery of goods.

If the work to be undertaken is tied to a term program or a construction work, the turning points of the work are determined in advance, information is provided on the guarantees to be received against the

payments to be made, and the principles to be followed for the closing of the work are determined and the risks arising from the non-performance of the work are minimized.

In matters involving municipalities or the central administration, the most accurate and precise information is obtained from the relevant institution and transferred to you by contacting the relevant public institution on your behalf in advance. In this way, you and your organization are enlightened by going beyond the complex language used in bureaucracy.

Within the aforementioned scope, ORNEKERKOCAK provides preventive legal protection services by creating added value for its clients to maintain their organizations without any worries, ORNEKERKOCAK, as an insider, stays in constant contact with your organization by evaluating the escape routes of the contracts before the signatures are signed, ensures your business follow-up and reduces the number of crisis moments that may occur by adding certainty and predictability to your business.

B. ALL KINDS OF WORKS AND TRANSACTIONS CARRIED OUT ON YOUR BEHALF ARE REPORTED TO YOU CONTINUOUSLY AND REGULARLY.

ORNEKERKOCAK values its communication with its clients and the realization of its clients' business and transactions in writing.

In this way, it aims to realize the criteria of transparency, accountability and auditability.

ORNEKERKOCAK believes that the attorney-client relationship, like all other relationships, is one of the relationships open to accountability. ORNEKERKOCAK, which attaches importance to adherence to the instructions from its clients while providing its services, obtains written confirmation before making transactions on behalf of its clients, reports all transactions to its clients on a monthly basis, regularly reviews risk reports, and binds doubtful receivables to insolvency certificates without delay.

In addition to daily commercial transactions, it also makes monthly reports

on the litigation and execution files followed up and shares with its clients via e-mail on a monthly basis signed attorney letters that can be used directly in the calculations of those who carry out the financial pillar of the client organization by ensuring that they are aware of their clients' doubtful receivables, the size of the risks they face or the expenses they make on the basis of the relevant files.

C. LEGAL AGENDA IS FOLLOWED FOR YOU, IMPORTANT CHANGES ARE ANNOUNCED ON LINKEDIN AND THE WEBSITE AND SHARED WITH YOU VIA E-MAIL.

In our country and in our world, where the agenda changes with the speed of light, legal issues also receive their share from this rapid change.

ORNEKERKOCAK ensures that you do not stay away from the legal agenda by following the Official Gazette on a daily basis and informing you of legislative changes that have the potential to affect your business and transactions or court decisions that you will benefit from knowing. In addition, information notes

on current issues are prepared and shared on a professional platform and website.

E. EFFECTIVE PROTECTION IS ENSURED THROUGH A CONTINUOUS CONSULTANCY WORKING METHOD.

ORNEKERKOCAK recommends the continuous consultancy working method to its clients in order to provide legal services efficiently and effectively, to accurately plan for crisis moments before the dispute arises and to ensure the flow in accordance with the understanding of insiders rather than outsiders.

In this way, it is possible to establish long-

lasting strong ties with the client, to identify the client's needs accurately and, as a natural consequence, to fully focus on the client's rights and interests that need to be legally protected.

*Because art is long, life is short, opportunities are temporary, experiences are deceptive, and decisions are difficult. **
